

*The long relationship*

Brand Ambassador

One face, one voice, month after month.

WHAT IT IS

An ongoing monthly partnership rather than a one-off post. Audiences trust repetition from a familiar face far more than a single paid placement, and a retained ambassador costs less per asset than booking the same work piece by piece.

WHAT YOU GET

- 👂 An agreed monthly volume of content
- 👂 Consistent presence across my channels
- 👂 Priority in my production queue
- 👂 Category exclusivity for the term
- 👂 A written agreement covering the full term
