Canvas Makeup & Beauty

Beauty content where the application is the whole story.

WHAT IT IS

Makeup and beauty content shot close — application, texture, wear and payoff. Suited to cosmetics, skincare and tools where the buyer needs to see the product behave on real skin rather than on a rendered swatch.

WHAT YOU GET

- 📹 Close-up application filmed in detail
- 📹 Before, during and after in one piece
- 📹 Honest texture and wear commentary
- 📹 Vertical 9:16 with captions
- 📹 Organic usage rights included
